Share your adventures

Experience, explore, Meeker via the many trails of the Wagon Wheel OHV Trail System. If you like to ride your UTV, ATV, or Adventure Motorcycle with people who have the same interests and enjoy riding in the beautiful White River Valley, then plan on joining the Wagon Wheel OHV Club.

Growth of the OHV sport requires rider responsibility, safety, low-impact activity on public lands, properly registered machines, and sharing trails with other user groups. The Wagon Wheel OHV Club is designed to provide its members a chance to build this very knowledge through workshops, meetings, partnerships with the United States Forest Service, Colorado Parks and Wildlife, and local government agencies, while building camaraderie with fellow riders.

Members have the opportunity to volunteer to help create connecting trails, upkeep existing trails, provide community education and much more. Not sure if you want to be a member, visit with members of the Wagon Wheel OHV Club at their next meeting to learn more and make an informed decision.
